O Jesus, Joy of Loving Hearts

Palmer

- O Jesus, joy of loving hearts, the fount of life and our true light, we seek the peace your love imparts and stand rejoicing in your sight.
- 2. Your truth unchanged has ever stood; you save all those who heed your call; to those who seek you, you are good, to those who find you, all in all.
- We taste you, Lord, our living bread, and long to feast upon you still; we drink of you, the fountainhead, our thirsting souls to quench and fill.
- For you our restless spirits yearn where'er our changing lot is cast; glad, when your presence we discern, blest, when our faith can hold you fast.
- 5. O Jesus, ever with us stay;make all our moments calm and bright;O chase the night of sin away,shed o'er the world your holy light.
